

## December Update

### **ONLINE ENTRY IS NOW OPEN – via this website**

Although paper entry forms are available in either the AMA handbook or on the website, we encourage you to enter online as it significantly reduces our admin effort. When you complete the form, don't forget to tick the box to book your place at the championships dinner. You will also be able to pre-order the specially designed event polo shirts and/or T-shirts. Everyone was impressed with the quality and appearance of those provided at Adelaide in 2009, so MAWA is providing similar high quality, cool-dry clothing for Perth 2010. The price of these is pegged at 2009 levels. Make sure of yours by pre-ordering.

### **FREE SHUTTLE BUS TO/FROM THE STADIUM**

The shuttle bus from the city to the stadium and back is now finalised. The morning service will start from the Kings Perth Hotel (pictured left) in plenty of time to suit the first event of the day. It will pick up from at least one other CBD location on its way to the stadium. There will be three journeys in each direction morning and afternoon. Additionally, on the Monday, the bus will detour via the start of the cross-country and walks location. This service will be at no charge to competitors and accredited visitors. A full timetable and route map will be posted at recommended hotels, stadium and in the programme booklet.

### **KINGS PERTH HOTEL – SPECIAL RATE**

Remember that there is a special rate of \$95 per night at the Kings Perth Hotel. You cannot book this online. You need to call the Reservations desk at the hotel – 08 9323 2780 (Mon-Fri 8am-4pm – PERTH TIME). Tell them that you want this special rate.

**Please remember that our MAWA team is here to help you. If you have any questions email John Oldfield:**
